Below is the VERY, VERY, VERY Tentative Schedule as of June 1st. This date will change as items change and more volunteers step forward and we get contracts signed when needed. The intention is to get down to just one VERY. Please concentrate on the **Volunteers still needed** highlighted in orange. In some instances we just need **Worker Help**, in other instances we need **Chairmen** or **Hosts** to step forward to lead the workers. The **Chairmen** and/or **Hosts** will work directly with the Convention Directors. This is a Midwest Region undertaking and will take a lot of us throughout the week give even the littlest of time or give a little more time depending on the activity. Hopefully by June 30th or sooner a list will be posted outlining in more detail what is needed to cover all the brown and orange.

Do feel free to call Joan (815-494-5985) if you need any questions answered!
